**DO NOT COMPLETE THIS FORM UNLESS YOU ARE NOT GIVING PERMISSION**  
**FOR YOUR CHILD TO BE PHOTOGRAPHED OR VIDEOTAPED**

Dear Parents/Guardians of Chester Students:

From time to time, we have school events and accomplishments that are noteworthy and newsworthy. We enjoy and promote having our achievements recognized. Often, this involves taking photographs which are, for example, sent to the local newspapers or published in our district newsletters. We also record events on videotape for television broadcast, our library collection, and demonstration purposes. Both photographs and videotapes are used in displays of school activities and are shown at various times of the year.

If you **do not** want your child to be photographed or videotaped, or if you do not want your child's picture on the school web pages, please complete the bottom portion of this letter and return it to the principal of the school that your child attends. If you have children in each school, you need to write each child's name and the school they attend in the space provided. Unless we receive this completed form from you, we will conclude that we have your permission to take pictures of your child for school purposes.

Sincerely,

Denis Petrilak  
Superintendent of Schools
